

## OMT228734 - 17D Excavator Grease

### Grease

TS1674-UN: Greases for Air Temperature Ranges

Use grease based on NLGI consistency numbers and the expected air temperature range during the service interval.

**John Deere HD Moly Grease is preferred.**

Other greases may be used if they meet the following:

- NLGI Performance Classification GC-LB with 3–5% molybdenum disulfide

**IMPORTANT:**

Some types of grease thickeners are not compatible with others. Consult your grease supplier before mixing different types of grease.
